
Byzantium Theme

Writer: William Butler Yeats | Generated: Jan 26, 2026

Themes:

- **Life and Death:** The poem talks about life and death. Life has many problems. Death is peaceful, but not the end. The soul lives on after death.
- **Spiritual Journey:** The poem shows a spirit's journey. The speaker wants to leave the world's problems. He dreams of a perfect place called Byzantium.
- **Art and Forever Life:** In Byzantium, art never dies. A golden bird is made by artists. It does not live, but it will never die. Art can last forever.
- **Human Problems:** The poem shows human problems. People always fight with their feelings and bodies. In Byzantium, these problems disappear.
- **Change:** The poem talks about change. The speaker wants to leave his body and become a spirit. He wants to live forever in a higher world.6852
