

Characters in "To a Skylark"

Writer: Percy Bysshe Shelley | Generated: Jan 26, 2026

The Skylark: The skylark is the central "character" of the poem. It symbolizes inspiration, joy, and freedom. Shelley marvels at the skylark's ability to sing joyfully, even in human suffering and turmoil.

Nature: Nature plays a significant role in the poem. The skylark is seen as a part of nature, and its song is described as a natural, spontaneous expression of pure happiness and beauty. Shelley emphasizes the skylark's connection to the natural world.

The Speaker: The speaker in the poem is Shelley himself. He expresses his emotions and thoughts about the skylark and its song. The speaker is deeply moved by the skylark's song and is inspired by its ability to transcend earthly concerns.
