

Digging Literary Device

Writer: Seamus Heaney | Generated: Jan 26, 2026

Symbols

The Spade : The spade stands for the hard, honest work of the poet's father and grandfather. It symbolizes the family's connection to land and farming.

The Pen : The pen represents the poet's own tool for work. Just like his father used a spade to dig the soil, Heaney uses a pen to dig into his thoughts and memories through writing and poetry.
