

Morning Song Characters

Writer: Sylvia Plath | Generated: Jan 26, 2026

"[Morning Song](#)" by [Sylvia Plath](#) (1932 – 1963) is a complex and thoughtful poem. The poem explores a mother's feelings towards her newborn child. Here are some key characters of the poem:

The Mother

The poem is narrated from the viewpoint of a new mother. She is not explicitly named in the poem, but she is the central character. Her emotions and experiences are the focus of the poem. The mother is most probably Sylvia Plath herself.

The Newborn Baby

The mother's child is also a character. The baby is not given a separate identity, but it is the source of the mother's emotions and the subject of her consideration.
